Motorcycle Parking

It's that time of year again that people will be riding their motorcycles to work. Please do not park your vehicle in areas designated for motorcycle parking. Security will be enforcing this parking regulation.

Cafeteria Closing

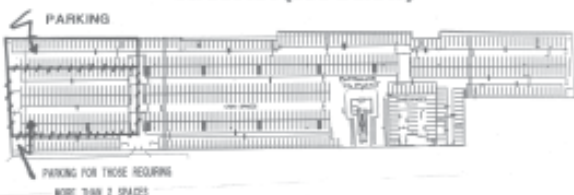

As our plant population continues to decrease with the eventual closing of our plant, so does American Food & Vending's cafeteria business. Because of this, the last day of cafeteria service/operation will be Thursday, April 30, 2009. The cafeteria space will remain open as an eating area, and plant vending machines will remain stocked for employee use after that date.
